INFORMATION CIRCULAR MAY 31, 2023

INTRODUCTION

This information circular (the "**Information Circular**") accompanies the notice of annual general meeting of shareholders (the "**Notice**") of The INX Digital Company, Inc. (the "**Company**") and is furnished to shareholders (each, a "**Shareholder**") holding common shares (each, a "**Share**") in the capital of the Company in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the "**Meeting**") of the Shareholders to be held at 10:00 a.m. (EST) on Friday, June 30, 2023. The Company is holding the Meeting as a completely virtual meeting, which will be conducted live via webcast at web.lumiagm.com/294547581.

Date and Currency

The date of this Information Circular is May 31, 2023. Unless otherwise stated, (i) all amounts herein are in US dollars, the lawful currency of the United States, and (ii) all the information herein is as of May 18, 2023.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specially engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representation must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. Shareholders are entitled to one vote for each Share held on the record date of May 30, 2023, on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders in the enclosed form of proxy (the "**Designated Persons**") are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY INSERTING THE NAME OF SUCH OTHER PERSON IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

The Shareholder may vote by mail, by telephone or via the Internet by following instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. The Chairman of the Meeting, in his sole discretion, may accept completed forms of proxy on the day of the Meeting or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at anytime before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact, authorized in writing, or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to the names of all Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by his, her or its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. If Beneficial Shareholders receive the voting instruction forms from Broadridge, they are requested to complete and return the voting instruction forms to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting - the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the applicable Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his, her or its broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his, her or its Shares.

Beneficial Shareholders consist of non-objecting beneficial owners and objecting beneficial owners. A non-objecting beneficial owner is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") of the Canadian Securities Administrators. An objecting beneficial owner means a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to non-objecting beneficial owners of the Shares. The Company will not pay for the delivery of proxy-related materials to objecting beneficial owners of the Shares under NI 54-101 and Form 54-101F7 - *Request for Voting Instructions Made by Intermediary*. The objecting beneficial owners of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

ACCESSING AND VOTING AT THE VIRTUAL MEETING

Voting at the Meeting

Registered Shareholders may vote at the Meeting by completing a ballot online during the Meeting, as further described below. See "How do I attend and participate at the Meeting?"

Beneficial Shareholders who have not duly appointed themselves as proxyholder will not be able to attend, participate or vote at the Meeting. This is because the Company and its transfer agent do not have a record of the beneficial Shareholders of the Company, and, as a result, will have no knowledge of your shareholdings or entitlement to vote, unless you appoint yourself as proxyholder. If you are a beneficial Shareholder and wish to vote at the Meeting, you have to appoint yourself as proxyholder, by inserting your own name in the space provided on the voting instruction form sent to you and must follow all of the applicable instructions provided by

your intermediary. See "Appointment of a Third Party as Proxy" and "How do I attend and participate at the Meeting?".

Appointment of a Third Party as Proxy

The following applies to Shareholders who wish to appoint a person (a "**third party proxyholder**") other than the management nominees set forth in the form of proxy or voting instruction form as proxyholder, including beneficial Shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting.

Shareholders who wish to appoint a third party proxyholder to attend, participate or vote at the Meeting as their proxy and vote their Shares MUST submit their proxy or voting instruction form (as applicable) appointing such third party proxyholder AND register the third party proxyholder, as described below. Registering your proxyholder is an additional step to be completed AFTER you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a Username to attend, participate or vote at the Meeting.

- **Step 1: Submit your proxy or voting instruction form:** To appoint a third party proxyholder, insert such person's name in the blank space provided in the form of proxy or voting instruction form (if permitted) and follow the instructions for submitting such form of proxy or voting instruction form. This must be completed prior to registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form. If you are a beneficial Shareholder located in the United States, you must also provide Odyssey with a duly completed legal proxy if you wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as your proxyholder. See below under this section for additional details.
- **Step 2: Register your proxyholder:** To register a proxyholder, Shareholders MUST send an email to appointee@odysseytrust.com by 10:00 a.m. (EST) on June 28, 2023 and provide Odyssey with the required proxyholder contact information, amount of Shares appointed, name in which the Shares are registered if they are a registered Shareholder, or name of broker where the Shares are held if a beneficial Shareholder, so that Odyssey may provide the proxyholder with a Username via email. Without a Username, proxyholders will not be able to attend, participate or vote at the Meeting.

If you are a beneficial Shareholder and wish to attend, participate or vote at the Meeting, you have to insert your own name in the space provided on the voting instruction form sent to you by your intermediary, follow all of the applicable instructions provided by your intermediary AND register yourself as your proxyholder, as described above. By doing so, you are instructing your intermediary to appoint you as proxyholder. It is important that you comply with the signature and return instructions provided by your intermediary. Please also see further instructions below under the heading "How do I attend and participate at the Meeting?".

Legal Proxy – US Beneficial Shareholders

If you are a beneficial Shareholder located in the United States and wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as your proxyholder, in addition to the steps described above and below under "How do I attend and participate at the Meeting?", you must obtain a valid legal proxy from your intermediary. Follow the instructions from your intermediary included with the legal proxy form and the voting information form sent to you, or contact your intermediary to request a legal proxy form or a legal proxy if you have not received one. After obtaining a valid legal proxy from your intermediary, you must then submit such legal proxy to Odyssey. Requests for registration from beneficial Shareholders located in the United States that wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as their proxyholder must be sent by e-mail to appointee@odysseytrust.com and received by 10:00 a.m. (EST) on June 30, 2023.

How do I attend and participate at the Meeting?

The Company is holding the Meeting as a completely virtual meeting, which will be conducted via live webcast. Shareholders will not be able to attend the Meeting in person. In order to attend, participate or vote at the Meeting (including for voting and asking questions at the Meeting), shareholders must have a valid Username.

Registered Shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting online at web.lumiagm.com/294547581. Such persons may then enter the Meeting by clicking "I have a login" and entering a Username and Password before the start of the Meeting:

- **Registered shareholders:** The control number located on the form of proxy is the Username. The Password to the Meeting is "inx2023" (case sensitive). If as a registered Shareholder you are using your control number to login to the Meeting and you have previously voted, you do not need to vote again when the polls open. By voting at the meeting, you will revoke your previous voting instructions received prior to voting cutoff.

- **Duly appointed proxyholders:** Odyssey will provide the proxyholder with a Username by e-mail after the voting deadline has passed. The Password to the Meeting is "inx2023" (case sensitive). Only registered Shareholders and duly appointed proxyholders will be entitled to attend, participate and vote at the Meeting. Beneficial Shareholders who have not duly appointed themselves as proxyholder will not be able to attend, participate or vote at the Meeting. Shareholders who wish to appoint a third party proxyholder to represent them at the Meeting (including beneficial Shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting) MUST submit their duly completed proxy or voting instruction form AND register the proxyholder. See "Appointment of a Third Party as Proxy".

ELECTION OF DIRECTORS

Shareholders will be asked to reelect seven (7) directors: Mr. Shy Datika, Mr. David Weild, Mr. Thomas Lewis, Mr. Nicholas Thadaney, Ms. Hilary Kramer, Mr. Alan Silbert and Ms. Demetra Kalogerou, all of whom are presently members of the board (the "**Board**") of directors of the Company (the "**Proposed Directors**"). The directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting, or until their successors are duly elected or appointed in accordance with the Company's articles or until such director's earlier death, resignation or removal.

Management of the Company recommends that Shareholders vote FOR the election of each of the Proposed Directors.

In the absence of instructions to withhold a vote in respect of a nominee, Shares represented by proxies received by management will be voted FOR the Proposed Directors.

Majority Voting Policy

In accordance with the Company's Majority Voting Policy, which can be found on the Company's website at www.inx.co, and a copy of which is attached hereto as Schedule "A", any individual director nominee that, in respect of the votes submitted at a meeting to elect directors, has more than 50% of the votes withheld from rather than voted for his or her election would, subject to the very limited discretion of the Board, not be accepted

as a director. If more than 50% of the votes are withheld from rather than voted for a director's election (any such director being a "Resigning Director"), in the case of an incumbent director, such director shall immediately tender his or her resignation to the Board, which resignation shall be accepted and effective, absent exceptional circumstances, within 90 days of the shareholders meeting.

In such an event, the directors who did receive the vote or at least the majority of the votes cast shall decide whether to recommend to the Board that the Board accept the resignation of the director. In recommending to the Board whether to accept the resignation of the director or not, such elected directors will consider any factors or other information they consider appropriate and relevant including, but not limited to: the underlying reasons why Shareholders withheld their votes from such Resigning Director (if ascertainable), any alternatives for curing the underlying cause of the withheld votes, the Resigning Director's tenure, the Resigning Director's qualifications, the Resigning Director's past and expected future contributions to the Corporation and Board, the overall composition of the Board, including relative mix of skills and experience, whether by accepting such resignation the Corporation would no longer be in compliance with any applicable law, rule, or regulation, or securities exchange listing or other governance requirements, and whether or not accepting the resignation is in the best interest of the Corporation.

Compensation Discussion and Analysis

Compensation Committee

The Board has established a Compensation Committee (the "**Committee**") which, as at the date of this Information Circular, is composed of three directors. The Chair of the Committee is appointed by the Board. The Committee meets as often as it deems necessary or desirable.

The members of the Committee are Mr. Thomas Lewis (the Chair), Mr. Nicholas Thadaney and Mr. David Weild, each of whom are considered independent directors. The members of the Committee have direct experience and skills relevant to their responsibilities in executive compensation, including with respect to enabling the committee in making informed decisions on the suitability of the Company's compensation policies and practices. Each of the members of the Committee has experience on the board of directors, as described under "*Election of Directors*" in this Information Circular.

The primary goal of the Committee as it relates to compensation matters is to ensure that the compensation provided to the Named Executive Officers and the Company's other executive officers is determined with regard to the Company's business strategies and objectives, such that the financial interest of the executive officers is aligned with the financial interest of Shareholders, and to ensure that their compensation is fair and reasonable and sufficient to attract and retain qualified and experienced executives.

The Committee is responsible for determining and making recommendations with respect to all forms of compensation to be granted to the Chief Executive Officer, and reviewing the Chief Executive Officer's recommendations respecting compensation of the other senior executive offices of the Company.

In particular, the Committee is responsible for, among other things:

- annually reviewing and recommending to the Board, for the CEO and other executive officers of the Company

- the annual base compensation as employee or other structure of engagement, (ii) the annual incentive bonus, including the specific goals and amount, (iii) equity and/or token compensation, (iv) employment agreements, severance arrangements, and change in control agreements/provisions, and (v) any other benefits, compensation, compensation policies or arrangements;
- annually reviewing and making recommendations to the Board regarding the compensation policy for officers of the Company;
- acting as Plan Administrator (as defined in the Omnibus Plan) of the Company's Omnibus Equity Incentive Compensation Plan (to the extent allowed by applicable law) and any subsequent employee benefit plans adopted and approved by the Company's Board and shareholders;
- reviewing and making recommendations to the Board regarding other plans that are proposed for adoption or adopted by the Company for the provision of compensation to employees of, directors of and consultants to the Company;
- recommending a compensation philosophy, strategy and plan to the Board;
- approving (subject to additional required Board approvals if any and applicable law) the employment terms and compensation of executive officers;

- overseeing compliance with the compensation reporting requirements of Canadian securities laws;
- authorizing the repurchase of shares, options or tokens from terminated employees or former directors or consultants;
- reviewing any issues concerning the legal compliance and maintenance of the Company's employee benefit plans; and
- reviewing and reassessing the adequacy of the Committee Charter annually and recommending any proposed changes to the Board for approval.

The Committee has the authority to retain external legal counsel, consultants or other advisors to assist it in fulfilling its responsibilities, including a compensation consultant, at the expense of the Company. Neither the Board nor the Compensation Committee retained a compensation consultant or advisor to assist the Board or the committee in determining the compensation for any of the Company's executive officers or directors.

Compensation Practices, Oversight and Description of Director and NEO Compensation

Objectives of Compensation Program and Strategy

The Compensation Committee's objective is to ensure the Company provides a competitive compensation package that reflects both base expectations to attract and retain appropriately experienced and qualified individuals, as well as to provide a link between discretionary short and long-term incentives with short and long term corporate goals, and to reward the successful achievement of such goals. The Company is still in its early years and more like a "start-up", nonetheless the Company is a complex, regulated institution which requires hiring experienced senior talent from highly competitive financial services and technology industries.

The Company uses its Omnibus Equity Incentive Compensation Plan in order to continue to attract new talent and incentivize employees to remain with the Company. Equity or INX Token-based compensation is necessary to attract the best talent from tech companies and financial services firms. Compensation at both these sources of talent trends high. Equity and profit share via the INX Token are also necessary to retain and incentivize existing employees in the volatile digital asset market. The industry is one that requires patience and a long-term view. Managing turnover helps the Company achieve its goals more quickly and efficiently.

Elements of Compensation

The Company's compensation philosophy is that an individual's compensation should be based on the Company's performance, the business segment performance and the individual's performance. The total compensation will consist of a base salary and a bonus comprised of a combination of cash, equity or INX Token incentives. The total compensation package is designed to reward performance based on the achievement of these performance goals and objectives and to be competitive with comparable companies in the market in which we compete for talent. While we emphasize performance-based compensation, we do not maintain specific policies or programs that prescribe a specified mix among base salary, short-term cash bonuses and longer-term cash, equity or INX Token incentives that we target.

The Company has adopted an Omnibus Equity Incentive Compensation Plan (the "**Omnibus Plan**") pursuant to which incentive awards are granted to eligible individuals. The Omnibus Plan provides for the grant of options to purchase common shares and restricted shares of INX to such employees, directors and consultants engaged by INX or any of its affiliates. The current version of the Omnibus Plan was last approved by shareholders of the Company on June 22, 2022. For a description of the Omnibus Plan, please see "*Stock Option Plans and Other Incentive Plans*". Subject to certain capitalization adjustments, the aggregate number of common shares that may be issued pursuant to share awards under the Omnibus Plan may not exceed 37,408,948 common shares.

The Company operates with the goal that every employee should participate in the long-term success of the Company, and as such have implemented compensation components which include:

- Base salary or consulting fees;
- Short-term incentive; and
- Long-term incentive.

Base Salary or Consulting Fees

Base salaries or consulting fees for NEOs are established based on the scope of their responsibilities, competencies and their prior relevant experience, taking into account compensation paid in the market for similar positions. The base salaries of the NEOs are reviewed annually by the INX Board to ensure that they take into account the following factors: market and economic conditions, levels of responsibility and accountability of each NEO, skill and competencies of each individual, retention considerations and level of demonstrated performance. Base salaries and consulting fees are reviewed by the INX Board on the basis of its opinion as to a fair and responsible compensation package, taking into account the contribution of the NEO to Company's long term growth.

Short Term Incentive

As a short-term incentive component of executive compensation, NEOs are eligible to receive a discretionary cash bonus. On an annual basis, the INX Board and each INX NEO reviews performance objectives for the coming year and establish reasonable performance objectives and targets and bonus levels. Subject to meeting such performance objective and targets as determined by the INX Board in its sole discretion, the INX NEO shall be entitled to a bonus of the determined percentage of such NEO's base salary. Among the current INX NEOs, each of Mr. Shy Datika, Mrs. Renata Szkoda, Mr. Alan Silbert and Mr. Itai Avneri are eligible for a bonus pursuant to the terms of their respective employment, consulting, or services agreements with the Company or with the INX Subsidiaries.

Long Term Incentive

The Company provides long term incentive compensation to the NEOs through the INX Limited Plan and by grant of options to purchase INX Tokens. The Company currently has no long-term incentive plans in place other than the Omnibus Plan and the INX Limited Plan. Under the Omnibus Plan, the Company's Board may by resolution grant INX Options to directors, officers, employees, consultants and contractors of the Company and its Subsidiaries, provided that the maximum aggregate number of INX Shares that may be reserved for issuance under Omnibus Plan. The purpose of Omnibus Plan and the INX Limited Plan is to provide INX with a share-related mechanism to attract, retain and motivate qualified directors, officers, employees, consultants and contractors, to incentivize such individuals to contribute toward the long-term goals of the Company and to encourage such individuals to acquire INX Shares as long term investments.

We expect to reserve equity and INX Token based awards to be issued to high performing employees, with the goals of (i) rewarding strong in-year performance and (ii) aligning our future leaders more closely to our Shareholders and INX Token holders. These special grants are in recognition of the significant work that employees have done over the last year to contribute to our overall success.

The options and INX Token warrant grants will generally be correlated on the basis of individual performance and our performance. There are no specific performance goals included in our compensation program.

We do not have formal policies for the timing of equity and warrant grants under any plan or program, stock ownership requirements or clawback policies.

Director Compensation

The Compensation Committee is responsible for reviewing and recommending for Board approval, the remuneration (fees and/or retainer) to be paid, and the benefits to be provided, to members of the Board. The Company's director compensation is designed to attract and retain highly qualified directors with diverse experience. It appropriately values the time commitment required of directors and recognizes the complex nature

of the Company's business and the requisite skills and experience represented among its directors. The Company does not pay fees for attendance at meetings, as attendance is expected.

After consideration of the key objectives of director compensation, the Committee considered and approved the director compensation in connection with the establishment of the Board after January 10, 2022 when the Company completed its reverse takeover transaction with Valdy Investments Ltd. (the "**RTO Transaction**").

Each of the Company's independent directors receives a monthly fee of \$4,000 (\$48,000 annually) for the term of the engagement. In addition, each Director receives one-time payments of \$1,000 in consideration for the participation in a committee meeting of the Board. Further, each Director is entitled to receive an option to purchase 3,500 INX Tokens each month at an exercise price equal to the fair market value of the INX Token at the date of the grant. No additional fees are paid for chair roles, multiple committees or any director who serves as both our director and a director of INX Limited. The Company reimburses directors for their reasonable out-of-pocket expenses in connection with attendance at Board meetings or related to conducting business on the Company's behalf.

On November 30, 2022, the Company committed to grant options to its independent directors to purchase 928,399 Common Shares of the Company at CAD 0.165 (\$0.12), a price per share equal to the fair value per share at the date of the commitment to grant the options. 397,886 options vest immediately on the date of the grant and remaining 530,514 options shall vest over the period of over 2 to 3 years with the first anniversary on November 30, 2023, and with all options fully vested on November 30, 2025.

The goal of this compensation mix is to increase director ownership of the Company and align the long-term focus.

NEOs who also act as our directors do not receive any additional compensation for services rendered in such capacity, other than as paid by us to such NEO in their capacity as executive officers.

The Committee is responsible for reviewing and making recommendations to the Board regarding non-employee director compensation. The Committee intends to review non-employee director compensation to ensure that it is consistent with market practice and aligns the directors' interests with those of long-term stockholders.

Compensation Risk

The Board and, as applicable, the Committee, considers and assesses the implications of risks associated with the Company's compensation policies and practices and devotes such time and resources as is believed to be necessary in the circumstances. The Company's practice of compensating officers primarily through a mix of salary, equity and the INX Token is designed to mitigate risk by: (i) ensuring that such officers are retained; and (ii) aligning the interests of officers with the Company's short-term and long-term objectives and its shareholders. As of the date of this filing, the Board has not identified risks arising from our compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

Pursuant to the terms of the Company's Insider Trading Policy, the NEOs and directors are strongly discouraged from speculating in its securities (including INX common shares, INX Tokens, or any derivatives of either), which may include buying with the intention of quickly reselling such securities, or selling with the intention of quickly buying such securities; buying securities on margin or holding Company stock in a margin account; short selling a security of the Company or any other arrangement that results in a gain only if the value of the Company's securities declines in the future. NEOs and directors are prohibited from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in the market value of our securities held, directly or indirectly, by such person, including equity securities granted as compensation. The NEOs and directors may, however, acquire and sell shares other than in connection with the acquisition and sale of shares issued under the Omnibus Plan. Any transaction involving INX securities is prohibited if the NEO or director is in possession of undisclosed material information, or during trading blackout dates which are specified in the policy.

INX Limited Share and Token Ownership and Award Plan

In addition to the Omnibus Plan, INX Limited has a Share and Token Ownership and Award Plan (the “**INX Limited Plan**”) in place. On February 22, 2021, the board of directors of INX Limited adopted the INX Limited Plan, which provided for the grant of options to purchase ordinary shares of INX Limited (“**Ordinary Shares**”) and restricted shares to such employees, directors and consultants engaged by INX Limited or any of its affiliates.

As of the completion of the Company’s qualifying transaction with Valdy Investments Ltd. in 2022, INX Limited no longer grants to employees, directors and consultants engaged by INX Limited or any of its affiliates any share awards pursuant to the INX Limited Plan. Commencing as of such date, share award compensation are granted to employees, directors and consultants engaged by INX Limited or any of its affiliates pursuant to the Company’s Omnibus Plan. The INX Limited Plan is now used solely for grant of Token awards as described below.

Grant of Token Awards under the INX Limited Plan:

- **Token Plan Awards.** On March 31, 2022, the board of directors of INX Limited and the board of directors of the Company approved certain changes to the INX Limited Plan (including to U.S. and Israeli Appendices) in connection with grant of INX Tokens, restricted INX Tokens and options to purchase INX Tokens (collectively, “**Token Awards**”) pursuant to the provisions of the INX Limited Plan. The INX Limited Plan provides for the grant of Token Awards to employees, directors and consultants who are Gibraltar citizens and others who are not Gibraltar citizens, and includes U.S. and Israeli appendices that further specify the terms and conditions of grants of Token Awards to such non-Gibraltar grantees.
- **Authorized Tokens for Grant under the INX Limited Plan.** Subject to certain capitalization adjustments, the aggregate number of INX Tokens that may be issued pursuant to Token Awards under the INX Limited Plan may not exceed 17,373,438 INX Tokens. Tokens subject to Token Awards granted under the INX Limited Plan that expire, become un-exercisable or are canceled, forfeited to or repurchased by INX Limited due to the failure to vest, or otherwise terminated without having been exercised or settled in full, in accordance with the INX Limited Plan, shall revert to and again become available for issuance under the INX Limited Plan (unless the INX Limited Plan has terminated). This includes INX Tokens that are reacquired pursuant to any forfeiture provision, right of repurchase or redemption or INX Tokens that are used to satisfy the exercise or purchase price for the award or any tax withholding obligations related to an award.
- **Plan Administration.** The board of directors of INX Limited administers and interprets the provisions of the INX Limited Plan. Under the INX Limited Plan, INX Limited’s board of directors has the authority to, among other things, determine award grantees, the numbers and types of Token Awards to be granted, the applicable fair market value and the provisions of each Token Award, including the period of their exercisability and the vesting schedule applicable to a Token Award, construe and interpret the INX Limited Plan and awards granted thereunder, prescribe, amend and rescind rules and regulations for the administration of the INX Limited Plan, and accelerate the vesting of awards.
- **Options for INX Tokens.** Options to purchase INX Tokens are granted under option agreements adopted by INX Limited’s board of directors. The board of directors of INX Limited determines the exercise price for Tokens, within the terms and conditions of the INX Limited Plan. Options granted under the INX Limited Plan vest at the rate specified in the option agreements and option rules as determined by INX Limited’s board of directors.

The board of directors of INX Limited determines the term of options for Tokens granted under the INX Limited Plan, up to a maximum of 15 years, or 10 years for its U.S. grantees. If a grantee’s service relationship with INX Limited or any of its affiliates ceases for any reason other than disability or death or Cause (as such term is defined below), the grantee may generally exercise any vested awards for a period of up to 90 days following the cessation of service, or such other period of time set forth in the option agreement. If a grantee’s service relationship with INX Limited or any of its affiliates ceases by reason of death or disability (as determined by INX Limited’s board of directors in its absolute discretion), the award shall remain exercisable for a period of one year following such termination (but only to the extent exercisable at termination of engagement or appointment, as the case may be, and not beyond the scheduled expiration date). If a grantee’s service relationship with INX Limited or any of its affiliates ceases by reason of retirement, pursuant to applicable law with the approval of INX Limited’s board of directors, the award shall remain exercisable for a period of one hundred and eighty (180) days following such termination (but only to the extent exercisable at termination of engagement or appointment, as the case may be, and not beyond the scheduled expiration date). If a grantee’s service relationship with INX Limited or any of its affiliates ceases for Cause, as shall be determined by INX Limited’s board of directors, all awards held by or on behalf of such grantee shall immediately expire upon the earlier of such termination or notice of termination. In no event may an option be exercised beyond the expiration of its term.

The exercise price for INX Tokens issued under the INX Limited Plan is generally payable in cash or cash equivalents or other forms of consideration determined by INX Limited's board of directors, including but not limited to a cashless exercise.

Unless INX Limited's board of directors provides otherwise, options may not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, except by will or the laws of descent and distribution.

- **Restricted Tokens.** Restricted Tokens may be awarded in consideration for cash or cash equivalents or another form of consideration, including past services, as determined by INX Limited's board of directors. The board of directors of INX Limited determines the terms and conditions of restricted Tokens, including vesting and forfeiture terms. If a participant's service relationship with INX Limited ends for any reason, INX Limited may receive any or all of the INX Tokens held by the participant that have not vested as of the date the participant terminates service with INX Limited through a forfeiture condition or a repurchase right.
- **Significant Event.** In the event of (a) any consolidation or merger of INX Limited in which INX Limited is not the continuing or surviving corporation, other than a transaction in which the holders of Ordinary Shares (on an as converted basis) immediately prior thereto have the same, or substantially similar, proportionate ownership of shares (on an as converted basis) of the surviving corporation immediately after the transaction and a transaction in which the holders of Ordinary Shares (on an as converted basis) immediately prior thereto own a majority of the voting power of the surviving corporation; or (b) any sale, exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all the assets or all or substantially all of the outstanding and issued shares of INX Limited; each outstanding award will be treated as INX Limited's board of directors determines, unless in each case the applicable award agreement provides otherwise. The board of directors of INX Limited may, but shall not be obligated to, determine that a certain portion of the outstanding awards held by or for the benefit of any grantee and which have not yet vested shall be accelerated and become immediately vested and exercisable. The board of directors of INX Limited is not obligated to treat all awards similarly.
- **Plan Amendment or Termination.** The board of directors of INX Limited may at any time amend, alter, suspend or terminate the INX Limited Plan. MAJORITY VOTING POLICY

THE INX DIGITAL COMPANY, INC.

MAJORITY VOTING POLICY FOR ELECTION OF DIRECTORS

**Approved by the Board of Directors
January 10, 2022**

THE INX DIGITAL COMPANY, INC.

Majority Voting Policy for Election of Directors on the Board

This majority voting policy does not apply in respect of the election of directors at a contested meeting, meaning a meeting at which the number of directors nominated for election is greater than the number of seats available on the board.

1. Definitions

“**Board**” means the board of directors of The Inx Digital Company, Inc.

“**Contested Election**” means all other circumstances than an Uncontested Election.

“**Corporation**” means The Inx Digital Company, Inc.

“**Director**” means a member of the Board.

“**Majority of the Votes Cast**” means that the number of shares voted “for” a Director’s election exceeds 50% of total the number of Votes Cast with respect to that Director’s election.

“**NEO Exchange**” means Neo Exchange Inc.

“**Policy**” means this majority voting policy for election of Directors on the Board.

“**Uncontested Election**” means any shareholder meeting called for, either alone or with other matters, the election of Directors, with respect to which (i) the number of Director nominees for election is equal to the number of positions on the Board to be filled through the election to be conducted at such meeting and/or (ii) proxies are being solicited for such election of Directors solely by the Corporation.

“**Votes Cast**” means, with respect to that Director’s election, all votes express in favor or to withhold authority, but shall exclude abstentions and failures to vote with respect to that Director’s election.

2. Purpose

The Board is committed to the principle that thorough review and consideration should be undertaken if Director nominees for election do not receive the vote of a majority of the shares voted in an Uncontested Election. The Board has, in light of the rules and policies of the NEO Exchange, adopted this Policy providing for majority voting in Director elections at any meeting of the Corporation’s shareholders where an Uncontested Election is held.

3. Policy Statement

If a nominee for Director in an Uncontested Election of Directors does not receive the affirmative vote of at least the Majority of the Votes Cast at any meeting for the election of Directors at which a quorum has been confirmed (a “**Resigning Director**”), the Resigning Director must immediately tender his or her resignation to the Board.

For purposes of this Policy, in a Contested Election, a plurality vote standard will continue to apply.

If a majority of the members of the Board are Resigning Directors, then the Directors of the Board who received the vote of at least the majority of the votes cast (such Board members the “**Independent Members**”) may appoint a special committee amongst themselves to consider the resignations and recommend to the Board whether to accept them.

4. Nominees for Directorship

The Board shall nominate for election or re-election as Directors only candidates who agree to tender, promptly following such person’s failure to receive in an Uncontested Election the required vote for election or re-election, an irrevocable resignation that will be effective upon Board acceptance of such resignation.

5. Decision by the Board

The Independent Members of the Board shall consider the resignation and consider the action to be taken with respect to such offered resignation, which may include:

- (a) accepting the resignation;
- (b) maintaining the Resigning Director but addressing what the Board believes to be the underlying cause of the withheld votes;
- (c) resolving that the Resigning Director will not be re-nominated in the future for election; or
- (d) rejecting the resignation and explaining the basis for such determination.

The Board shall accept the resignation absent exceptional circumstances. The Board in making its decision, may consider any factors or other information that they consider appropriate and relevant, including but not limited to:

- (a) the underlying reasons why shareholders withheld their votes from such Resigning Director (if ascertainable);
- (b) any alternatives for curing the underlying cause of the withheld votes;
- (c) the Resigning Director’s tenure;
- (d) the Resigning Director’s qualifications;
- (e) the Resigning Director’s past and expected future contributions to the Corporation and Board;
- (f) the overall composition of the Board, including relative mix of skills and experience;
- (g) whether by accepting such resignation the Corporation would no longer be in compliance with any applicable law, rule, or regulation, or securities exchange listing or other governance requirements; and
- (h) whether or not accepting the resignation is in the best interest of the Corporation and its shareholders.

The Board will consider the tendered resignation and announce promptly by news release its decision whether or not to accept that resignation and the reasons for its decision (in the case that

the Board determines not to accept a resignation) no later than 90 days after the date of the relevant shareholders' meeting (and will provide a copy of the news release to the NEO Exchange or any other applicable regulatory authority).

If the Board accepts any tendered resignation in accordance with the this Policy, then the Board may (i) proceed to fill the vacancy through the appointment of a new Director, or (ii) determine not to fill the vacancy and instead decrease the size of the Board.

6. Rejection of Resignation

If a Resigning Director's resignation is not accepted by the Board, such Director will continue to serve until the next annual meeting and until his or her successor is duly elected, or shall otherwise serve for such shorter time and under such other conditions as determined by the Board, considering all of the relevant facts and circumstances.

7. Contested Director

Any Resigning Director who tenders his or her resignation pursuant to this Policy shall not participate in any portion of the meeting of the Board or any sub-committee of the Board at which the resignation is considered.

8. Disclosure of Policy and Form of Proxy

The Corporation will describe the foregoing Policy in any management information circular.

Forms of proxy for the vote at a shareholder meeting where Directors are to be elected will enable shareholders to vote in favor of, or to withhold from voting, separately for each nominee.

9. Compliance with Law

The Board may adopt such procedures as it deems necessary or advisable to assist it in determinations with respect to the implementation and administration of this Policy. To the extent any provision in this Policy conflicts with the Corporation's constating documents or applicable law, such provision in the constating documents or applicable law, as applicable, will govern.
